My dear Einar and Else Karine, how are you? how is job and family? I hope God he is together with you everytime, so you get His care. Same to us, that's why we continue good, and the children continue well with school and every things goes alright.

Purpose of this letter is just to say - hallo to you, also to send report of January. There is nothing more, Juliana start nursery school, they got breakfast <sup>in school</sup> and they back 12.30 Pm. also Lucia and Elizabeth already start secondary school and also they <sup>are</sup> continue well, Simba he has problem - of his leg muscles, the muscles is tight very - much, it is difficult for him to walk, I brought hospital the doctor told me, Simba need (PAIN KILLING LINIMENI) that is a tube of medicine, so I bought them and he continue ~~use~~ to use, others are OK no problem.

Thank you for today, Give our greetings to all of you.

It's

me Emma. bye.
