Hi! Einar and Else Karine, how are you, I hope you all are fine, we are fine too.

Purpose of this letter is to say hello to you and also to send report of October. We are continue good. Tone told me, she will coming back on 3rd of November. with her - mother, we are looking forward to welcome them.

I ~~change~~ already pay for children fee (Pre-form one fees) for Janeth, Justine and Benadetha also they doing fine. also I bought a bed (double decker) with two (2) mattresses for boys and (one) mattress for the girl. also we brought Janeth - to Tanesco Hosp. She was feel painfull of ~~her~~ front of her head and around the eyes, she was not see far and when - she try to read the tear was coming out of from her eyes' So Ronja and Tone says, it was the same for them before - getting grass, so we brought to Hosp. Tanesco, the doctor say - she have a problem (there is a specialist of eye there) they give us a transfer to Ifakara Hosp. or Morogoro Hosp. so we decided to go to Ifakara. We was sleep one night to be early to Hosp. and doctor there says yes, she need the grass, so we need to sleep there one more night, or to pay and they will bring grass to Ki Hosp or Lutheran church, they bring them for order. so we pay it and we will go to have it on 4th November at Lutheran church

Also one day Bord and His wife Linda (Norwegian from Tanesco) was visit the children, brought clothes and - Linda give them 50000/= we bought sandals for all - children, because their sandals are finished.
