

Hallo my friends Einar & Else Karine, how are you?
How is job also your family, I hope everything
goes good, Same to us, we are continoues good
with everythings, also all of us we are in -
good health.

Purpose of this letter, just to say -
hello and also to send this April reports,
On easter day, we was enjoyed good, but we -
was not make like a party, it was only the
children, I bought 2 soda each, one was afternoon,
and another was with dinner, In the afternoon they
was eat rice and chicken and dinner was eat chips
with chicken, so I was add buy some more rice to have
enough with some of children relative (grand parents) also we -
was have a plastic for potatoes for that Sunday, so -
the easter was good. I hope was good for you too.

So far, nothing to say.

Have a good day, Good job,

Say hellow to your family,
also alot of greetings from the children. to you all.

bye

It's

me

Emma.

Also Emmanuel asking to send money for transporta,
back for leave, they looking to get mid-term on -
may, also he said, he don't have money for his
general used, I tell him to send to me a friend
bank acc. then I will send ten thousand (10,000) for -
general use and 20000 for transporter, and he says
he was sick, he got malaria, so he use same money
for hospital and medicine, also next month I have to -
pay more for standard seven, 3000 each for region exams,
first was classter exams, then it will be for mocto^{exam} and last
will be for national exams.
