

30/03/2010.

Hello Einar and Else Karine, how are you? We are all - fine, we hope you are fine too!

Purpose of this letter is to say hello and send this report. everything are fine, Tone she is here, and we are happy to see her again, we enjoy together of smiling, playing, teaching and general doing at ecce.

All the children are doing fine, Janette, Benadette and Justine are still home, I don't think if there is second select this year, because always they use to build extra classes, but this year seems - parents are very tired to pay every year for building so we are still waiting, but I don't know how will be.

When Tone come, she come with money from Ronja, but was not any message with this money, only outside envelope written (Emma's children care centre), so we will use it on easter day and the rest we will write down. It was Tsh. 110,000/=.

Hamad, Antony are continue fine, also Lukia - is fine.

We are waiting to work with Silje and Daniel, I so them on internet, they look very good people - they are smiling alot. we will be happy to meet them too.

Sometimes I so Stanley, he is fine, he continue good with school, and I ask the children who are in same school told me that, he is doing fine, the - relatives still give him somethings he needs, if they will stop to give him, I told him, he have to tell me then I will help him with suggestion.

Thanks for today.

Say hello to your all family.

It's me Emma.
